

Human Resources is responsible for staff recruitment, retention, training, management of benefits, employee relations, employment law compliance, and customer service delivery. “HR” seeks to engage, attract, develop, support, and retain the best workforce to provide exceptional customer service to Chester Residents.

Our Misson:

- Make quality a part of the way we work
- Enhance our ability to support the City of Chester and its goals
- Improve the efficiency and effectiveness of human resources at all levels
- Employ technology and methods which enhance service, communications and productivity
- Help make the City of Chester a great place to work—professionally and personally.
